

ASP General Information

ASP Compliance and Practices

Alert Number: GI32_18

Subject: ASP material sales – notification of survey

10/12/2018

Ausgrid's ASP material sales currently sells Ausgrid approved materials from its warehouse located in Somersby. We are looking to determine the type of customers who currently use the service and their reasons for using this option to purchase materials. We are also trying to determine whether other options for purchasing approved materials are known and used within the ASP market. To achieve this, a survey has been created and distributed to ASPs and current Ausgrid ASP material sales customers.

Do I have to complete the survey?

No. The survey is optional.

Is the survey anonymous?

Yes. Responses are anonymous and no individual companies will be identified. However, there is required demographic information on the type, size and location of the company and the location of where work is carried out.

How long will it take to complete the survey?

The survey should take you approximately two minutes to complete.

When does the survey close?

Responses will be accepted until 31 December 2018.
