

# ASP General Information

## Customer Division

**Alert Number: GI33\_18**

**Subject: NOSW submission form moving online in 2019**

**11/12/2018**

Dear ASP2s,

Thank you for your ongoing collaboration with Ausgrid in 2018.

Ausgrid is currently going through a period of transformation, with an ongoing focus on improving how we work with our customers and partners.

Among other initiatives, we are moving the **Notification of Service Work (NOSW)** form **online**.

This will mean the form will be much simpler for you to complete and submit, via the Ausgrid website.

We will ensure you are informed of changes well ahead of time and will provide thorough instructions to enable a smooth transition.

Please keep an eye out for more information in the coming weeks.

In the meantime, if you would like more information about the changes ahead, please contact [crminfo@ausgrid.com.au](mailto:crminfo@ausgrid.com.au).

Best wishes for a safe and happy Christmas season.

Kind Regards,

Allyson Henry  
Head of Customer Operations (Acting)  
Customer Division  
Ausgrid
